2005 FUND RAISING – SAMMY & MIGI AT ANY PRICE FOR SHA TIN JUNIOR CHAMBER

Have you met SJC new Icons, IPP Migi and PP Sammy recently? They changed obviously.

In January MFG, PP Sammy & IPP Migi kicked off our lovely 2005 Fund Raising Programme. With encouragement from all friends and JC members, without any medicine assistance, they ate less, did exercises frequently in past five months. They made change and got slim significantly.

Under the witness of our Hon. Advisor Andrew Wong OBE, JP, 黃宏發 and, Thomas Pang, JP, 彭長緯, their weights were recorded in January. In mid May, NP Ellen announced their final weight loss.

Bravo! PP Sammy lost almost 30 lbs and IPP Migi also lost 10 lbs. They looked much healthy and smarter than before. More fat went whereas more fund was raised. It was WIN-WIN.

EDITOR'S MESSAGE

I am delighted to be the Editor of the Second issue of Sha Tin Express 2005.

It is an interesting experience as I actually have an opportunity to sit back and review all those memorable events happened to the chapter in the period. As I read and review articles and photos, sometimes, I couldn't help smiling. This is a meaningful reminder to me as it speaks for itself and tells how actually the beloved chapter has rewarded me i.e. memory that causes me to smile when I look back.

Fellow JC: whatever you do, make an effect on you -- the food you eat, the sacrifices you make, the help you give.

I enjoy sharing my view, experience and thoughts about our beloved Chapter and look forward to the next issue.
